A close-up photograph of several tree branches. The bark is light grey and textured, with various patches of lichen in shades of white, yellow, and orange. The branches are set against a blurred background of a clear blue sky. The text 'Les arbres' is overlaid on a semi-transparent white rectangular box at the bottom center of the image.

A close-up photograph of a dense field of grass. The blades are long and thin, with a mix of vibrant green and golden-yellow hues, suggesting they are in the process of maturing or have been exposed to sunlight. The lighting is soft, creating a warm, natural atmosphere. The grass blades are slightly out of focus, giving a sense of depth and texture.

A close-up photograph of palm fronds, showing the intricate details of the leaves and their central rachis. The fronds are a vibrant green color and are arranged in a fan-like pattern. The background is softly blurred, creating a bokeh effect of light and dark green spots.
